

New Member Joining Pack

SAA 1063

Welcome to Central Scotland Dive Club (C-Divers)

We are an established diving club based in Central Scotland, we are affiliated to the SAA (Sub Aqua Association) and we meet at the Dollan Aqua Centre in East Kilbride at 7:00pm on a Wednesday for lectures followed by pool training.

As an SAA affiliated club we can award internationally recognised diving qualifications to our members, as well as benefiting from the support of the SAA at regional and national levels. We dive in Scotland throughout the year with various expeditions to other parts of the country and abroad.

The clubs objective is ***To Practice Safe & Enjoyable Diving***

Training

One of the benefits of the club system is that you will be able to progress through the training at your own pace, there is never any pressure to move on to the next stage before you are ready. This allows you to build up your confidence and skills gradually and learn thoroughly.

Each qualification level typically requires a mixture of lectures and practical skills training in the pool. There will then be a written exam and some assessment dives to test your abilities. These will be carried out by our SAA qualified Instructors. Most qualifications also require you gain real diving experience by carrying out a range of open water dives in different conditions, training days can be found on the club forum.

Diving

Every year we arrange a program of dive weekends at coastal sites around Scotland. In the past few years we have been to Scapa Flow, Sound of Jura, Moray Firth, St.Abbs, The Farne Isles and Sound of Mull to name but a few. We have also dived further a field in Norway, Tenereife and the Red Sea.

Club dives are open to all club members although some trips to more demanding sites may be restricted by skill level. We try to accommodate individual preferences and usually do a mixture of reef and wreck dives. All costs such as boat, fuel, launch fees etc. for each trip are just divided evenly amongst those taking part, see www.c-divers.com for details.

Social Events

We usually organise a variety of social events during the year, Xmas Party, Bowling & Curry nights etc.

Membership

Full membership of the club is by application and is open to anyone over the age of 16 years, but the club committee has the right to vary the terms of membership or decline an application.

The benefits of club membership are:

- Annual SAA membership renewal paid
- Free diving training under the guidance of our SAA qualified instructors
- Free use of the pool for swimming/training on our Wednesday night sessions
- Free use of club equipment for pool training (some items are subject to a deposit)
- Open invitation to join us on any of our club diving weekends and social events
- Full voting rights at the club AGM (must have been a member for at least 6 months)

Note:- members aged 16-18 require parental/guardian approval before training commences and are restricted by SAA rules to a maximum diving depth of 30m

Full membership of C-Divers: £10 per month (payable by standing order)

Club joining fee: £25

If you are not already an SAA member: SAA joining fee £54, SAA New Student Starter Pack £40 - optional to qualified divers.

Diving Medicals

All diving members must complete an annual self certification form, to be kept by the club secretary.

Equipment

The club has equipment that can be loaned to members during their pool training, subject to a deposit.

Qualification Crossover Guidance Chart

If you already have a diving qualification from another organisation, here's a guide to the SAA equivalent qualifications.

SAA	PADI	BSAC	CMAS
Elementary Diver	Basic SCUBA	Novice Diver	
Open Water Diver	Open Water Diver	Ocean Diver	1 Star
Club Diver	Adv. Open Water Diver & Rescue Diver	Sports Diver	2 Star
Dive Leader		Dive Leader	2 Star
Dive Supervisor	Dive Master	Advanced Diver	3 Star
Dive Master		1 st Class Diver	4 Star

Please note that all crossover's are at the discretion of the Diving Officer, and he may also take into account your training, experience and ability.

If you have any questions or concerns please feel free to contact the committee.

Membership Application Form

Please complete all sections and hand to the Treasurer or Club Secretary.

Are you a member of any other diving organisation/s? Yes No

If yes please state

UK SPORT DIVER MEDICAL FORM

Any fee in respect of the medical examination is the responsibility of the person being examined.

Diving training must not be undertaken until the candidate has completed a Medical Declaration or had a Medical Examination confirming fitness to dive.

www.uksdmc.co.uk

NOTES TO DIVER

It is necessary for members of the above organisations to complete this form annually on renewal of membership. Exceptional fitness is not essential; both men and women can dive safely providing they are reasonably fit. Sport diving can at times involve heavy physical exertion. Moreover, recreational diving in the UK is carried out in what can occasionally be a cold, dark and hostile environment and it entails responsibility for the safety of other divers. If you have any queries then please contact a medical referee (listed overleaf).

Please read carefully before completing this Self –Declaration Form

Divers answering “No” to all questions below should complete this declaration, deleting answer b), hand the original copy to your DO and retain a copy with your Qualification Record Logbook for reference purposes.

Divers answering “Yes” to any question below or are unsure on any area should delete answer a) and sign. They then must seek advice from a Medical Referee

- From a telephone call enquiry, the Referee may only need to endorse this form on your behalf. You will need to send the form to the Referee with a written confirmation of your statements to the Referee, the fee of £10.00 and a stamped self-addressed envelope for endorsement by them and return to you. Hand the original of this form to your Diving Officer and retain a copy with your Qualification Record Logbook for reference purposes.
- The Medical Referee may require a statement from your GP and/or to see you for examination (when a fee may be payable) and if you are found fit to dive, they will give you a completed **Certificate of Fitness to Dive** with an expiry date or a statement that further medical assessment is not required. You should attach a copy of the Certificate of Fitness to Dive to this form and hand to your Diving Officer. Ensure you retain the original of the Certificate of Fitness to Dive (you may need to provide copies for future annual declarations) with a copy of this form with your Qualification Record Logbook for reference purposes.

Diver Medical Health Questionnaire
